Dear Sir:

We have your Application for Exemption from Filing Reports on Form U.C. 24. Before this form may be approved, it is necessary that your account be in balance.

It appears that you have not filed a contribution report for the period from February 5 to March 31, 1941, for both employer's and workers' contributions.

Please complete the enclosed forms for the period in question and return promptly with remittance to cover contributions shown due. You should take care of this matter without delay.

Very truly yours,

Millard E. Cuskaden
